

EF4500iSE

Blue
\$3,399 MSRP*

TOP FEATURES

1. The EF4500iSE picks up where our extremely successful EF3000iSEB leaves off, with even more power and fuel efficiency in a quiet, portable package. Designed for maximum fuel efficiency and minimum noise, its super-powerful engine allows it to run at the very low engine speed of just 2600 rpm - 1000 rpm lower than other generators in its class.
2. That slow engine speed pays off big time in reduced fuel consumption as well as less noise, vibration, and engine wear. Up to 15.2 hours run time at 1/4 rated load.
3. The EF4500iSE features Noise Block sound reduction system which makes it a very quiet generator for its output. 58-60 decibels.
4. 4500 watt maximum output, 4000 watt rated continuous output suitable for running most 15,000 BTU RV air conditioners and 1000 watt microwave oven, or two major RV appliances, simultaneously.
5. Electric start makes starting effortless-turn the key to start and power appliances you want and you can add an optional wireless remote control for easier starting.
6. Yamaha's Oil Watch Warning System helps prevent engine damage from low oil and provides added peace of mind.

EF4500iSE

FEATURES & BENEFITS

FEATURES

4500 watt maximum output, 4000 watt rated continuous output — Suitable for running most 15,000 BTU RV air conditioners and 1000 watt microwave oven, or two major RV appliances simultaneously.

Noise Block sound reduction system — Very quiet 58-60 decibels

Low speed running — Using the most powerful engine in its class to run at a constant ultra low speed of 2600 rpm to reduce gasoline consumption, extend running time between refueling and reduce noise and engine wear

Up to 15.2 hours running time at one quarter rated load between refueling

50 state legal — Meets CARB emission regulations and given highest EPA rating

Pulse Width Modulation Inverter System — Sine wave as clean as or cleaner than household electricity. Suitable for computers, televisions, satellite TV systems and other sensitive electronic equipment and appliances

Optional wireless remote control — Start and stop the generator from up to 66 feet away

Electric start — Effortless turn the key to start

Automatic choke — Easy starting even in cold climates

Low oil warning system — Shuts the engine off to protect the engine if the oil level drops

Power meter — Easy to read meter indicates the amount of power being used and the amount that's available

Hour meter — Displays the amount of running time accumulated to indicate servicing or refueling interval

Twin bar — Aids in lifting and loading. Also utilize for transport and anti-theft security

Gas gauge — Indicates amount of gasoline to indicate refueling interval

Factory warranty — Covers the entire generator for defects in parts and workmanship for three (3) years

Stylish design — Attractive and practical

Four wheels with parking brake — Easy transport and security

SPECIFICATIONS:

Type	Brushless, Inverter
Maximum AC Output	4500 watts
Rated AC Output	4000 watts
Rated / Maximum AC Current	33.3 / 37.5 amps @ 120V
Engine	OHV, air-cooled, single cylinder, 4-stroke
Displacement	357cc
L x W x H	30.7 x 24.3 x 27.2 in
Dry Weight	194 lb
Fuel Tank Capacity	4.5 gal
Continuous Operation at 1/4 Rated Load	15.2 hr
Noise Level (1/4 Load - Rated Load)	58-60 dBA
Warranty	3 Years Limited Warranty
Color	Blue
