EF7200DE/D

FEATURES & BENEFITS

FEATURES

New and improved OHV MZ360 engine with a hemispherical head

— Yamaha legendary durability and reliability with increased fuel efficiency

Rugged Wheel kit w/fold-down locking handles — Standard on EF7200DE and EF7200D

The battery is standard on the EF7200DE — Great value and added convenience for starting

Cast iron cylinder lining — Optimal heat dissipation

Automatic oil warning system shuts off engine before oil level is low — Prevents engine damage, avoids costly repairs, minimizes down time, enhances long term durability

Transistor Controlled Ignition (T.C.I.) — Provides clean, efficient spark that ensures fast, easy starting. Low maintenance, reliable operation

Auto decompression — Automatically “opens” exhaust valve slightly to reduce initial back pressure when starting making manual starting effortless

EPA Emission Engine Life Rating — The EF7200DE and EF7200D meet the strictest environmental standards - EPA and CARB

Fuel gauge — Lets operator monitor how much fuel is available

Tool kit — Makes service easier

AVAILABLE ACCESSORIES & OPTIONS

Wired Remote Kit — Features a 33-foot cord with remote starter switch

Yamaha Extended Service — Additional 1, 2 or 3 years of Y.E.S. is available
